To: Distribution

From:

Subject: Provisional Billing and Bid Rates for 1965

Date: May 17, 1965

The following rates are effective immediately for both Bid and Provisional Billing purposes for programs and products. Note that in the preparation of major bids not included in the planned level of activity, the Controller's office should be contacted to determine whether these rates still apply or should be changed due to a substantial change in the level of activity.

| | <u>Rate</u> | |
